Guidelines for donations at St Andrew's 2027

At St Andrew's, we do not set fixed charges, but welcome donations to cover costs. The following are guidelines to help you consider how much you are able to contribute. We are very grateful for your donations. If you are able to offer more, this will help to defray the costs of those unable to offer as much.
Concessions are available. For any query regarding donations: please contact us prior to booking at welcome@sisters-of-st-andrew.com
