The Retreat Association is a national ecumenical Christian organisation set up to help people find ways of exploring and deepening their journey with God through spirituality and prayer. The Retreat Association has commissioned an icon as an enduring reminder of the value of retreats and reflective prayer.

Icons have been used for centuries to depict Bible stories and offer a way of entering into the story through prayer, stillness and contemplation - practices that lie at the heart of our work.

The theme of our icon is [The Woman at the Well \(John 4:1-42\)](#). This has been chosen for its universal appeal and the many different themes associated with retreat and spiritual direction.

The icon was hallowed at the Retreat Association Conference and is now on display at a number of different retreat centres, churches and cathedrals across the UK. For details of where the icon is on display, please see the [Icon Events page](#). We hope that the icon will become a resource for many who are both familiar and unfamiliar with retreats.
