

With regret, given the current situation with the Coronavirus pandemic, in accordance with the Church and Government guidelines, we have taken the decision to close St Andrew's for all group gatherings and residential welcome and to cancel all events until further notice

We will be thinking and praying for all and especially those who may be particularly isolated at this time. During our evening prayer, we place a candle on the altar as a sign of communion with all of you.

Please contact us if you want to entrust to us any prayer intentions.

Evening Prayer on Sunday evening 22nd March.

Candles are lit and brought to shine at the windows of our house.
