

What else is possible now

We are open and welcoming people as much as we safely can in accordance with government guidelines. See our Covid-19 guidelines

Our welcome is on a self catering basis. All the rooms have a toilet and a sink, as well as an individual balcony with a view on our grounds. One room is en-suite.

Except for the week-end retreat from 29 to 31 October 2020 (and those planned for 2021) our events are cancelled unless the government guidelines change as to allow us to welcome groups safely in our house. Some events may be offered online. It will be announced on the website.

We are welcoming people for silent retreats of 3 to 8-Day, with or without daily accompaniment. A shorter stay is possible by personal arrangement.

There are possibilities to make an **on online retreat**, with daily personal accompaniment, as a way to deepen your prayer life, step back during a period of change or before making decisions... Such a retreat can be made from home, if you feel you have enough space and quiet, or from another venue that you can find for the time of the retreat.

We can for instance offer **3-Day retreats** with daily accompaniment, or **4-week retreats** with weekly accompaniment.

We are welcoming people for a **quiet day** on their own.

Ongoing **spiritual accompaniment** is possible either by coming to see us or online. Contact us

Likewise, ongoing individual **supervision** for those in the ministry of spiritual accompaniment is possible either by coming to see us or online. [Contact us.](#)
